

RESOLUTION FOR

Dr. Kenneth Callis

WHEREAS, Dr. Kenneth Callis is retiring after having served the Department of Psychology and Southeast Missouri State University for more than fourteen years; and

WHEREAS, he has become known as an excellent instructor, has been a mainstay of the UI100 program, and has brought significant clinical expertise to the classroom; and

WHEREAS, students have benefited from his mentoring of honors contracts, independent studies, and research activities; and

WHEREAS, he has worked with athletic teams, musicians and other performers to help them improve performance and wellbeing; and

WHEREAS, he has contributed to the betterment of community mental health through his work with Cottonwood Treatment Center, support groups for health disorders, and the Missouri Department of Mental Health; and

WHEREAS, he has served the University community through his work on committees and his role in conflict mediation; and

WHEREAS, he has been a valued colleague and friend and will be greatly missed by all who have worked with him;

NOW, THEREFORE, LET IT BE RESOLVED that the Board of Regents expresses its appreciation and congratulations on behalf of the University and its students, faculty, staff, and administration on this second day of May, Two Thousand Fourteen.
