2014 Strategic Plan
Vision Statement and Priorities

STRATEGIC VISION
Southeast Missouri State University strives to be one of the nation’s most academically competitive regional comprehensive universities, recognized for excellence in education, research, engagement, and creativity.

PRIORITY I: THE ACADEMIC EXPERIENCE
Southeast prepares students by providing comprehensive and diverse experiences including experiential and service learning opportunities, cutting-edge technology, and exceptional instruction that prepares students for civic responsibility and professional careers or advanced graduate education.

PRIORITY II: THE STUDENT EXPERIENCE
Southeast challenges students to expand their education both in and beyond the classroom by providing diverse, valuable experiential-learning and community-service opportunities that cultivate a commitment to the growth and success of students as well as the surrounding community. Students benefit from both Southeast's engaging cocurricular experiences and highly personalized attention from student-centered faculty, advisors, and staff who help shape their future professions.

PRIORITY III: FACULTY AND STAFF EXPERIENCE
Southeast is an engaged learning community that recognizes and values the people who make it possible—our students, faculty, staff, benefactors, and the employers of our graduates. These essential individuals actively participate in the pursuit of our core mission surrounding student learning and success, scholarship and creative activity, and service to the multi-state region, nation, and world.

PRIORITY IV: EXTERNAL ENGAGEMENT
Southeast is proud to be an engaged learning community that contributes significantly to the educational, economic, cultural, and social development of the people and multi-state region we serve. Through mutually beneficial partnerships with business, industry, government, education, and non-profit organizations, the University will extend the expertise of our faculty and staff, the accomplishments of our alumni and donors, and the contributions and passion to learn of our students to improve the quality of lives, organizations, and communities in the multi-state region, nation, and world.

PRIORITY V: FISCAL RESOURCES
Southeast is a fiscally responsive institution that provides high-quality, affordable education and will continue to partner with stakeholders to identify new funding sources that support our mission, our innovative programs, and our services to meet the changing needs of students and the multi-state region. Southeast is a fiscally responsive institution that provides high-quality, affordable education and will continue to partner with stakeholders to identify new funding sources that support our mission, our innovative programs, and our services to meet the changing needs of students and the multi-state region.
PRIORITY VI: TECHNOLOGY AND INFRASTRUCTURE
Southeast embraces rapidly changing technologies to serve the needs of the University community, to enhance the institutional experience, and to provide technological support and training for students, faculty, and staff. Southeast has an aesthetically pleasing campus that must continue to promote safety, accessibility, and sustainability, and to lead regional efforts to protect the environment and conserve natural resources.
