Steps to completing the Request for Senior Seminar Course Substitution, based on military service:

1. Obtain the Senior Seminar Course Substitution Form; it is available on-line or you can obtain a copy from the Office of the Dean of the School of University Studies or the Office of Military and Veteran Services (OMVS). Fill out the top two sections of the form completely (your identifying information and your military service information). Attach your essay (see instructions below), in a sealed envelope if submitting it in person or by USPS mail; sign the form below the Academic Integrity Statement before sending it. If emailing or faxing the form, include your essay as an attachment or part of the fax along with the form and your service documentation.
2. Take the form and your military service verification document(s) to the OMVS. OMVS will verify your service credits and sign on the appropriate line. Alternatively, you may submit this form and your documentation to OMVS via fax (1-573-986-4973). Finally, you may send the form and your documentation as attachments to an email addressed to: veterans@semo.edu.
3. Once OMVS had verified your service, submit your essay to The Center for Writing Excellence (CWE). You may use resources offered on their website: <http://www.semo.edu/writing> for help in developing your essay. If you submit the essay in person, place it in a sealed envelope. If you are faxing it, send it 1-573-986-6198. Alternatively, if you are submitting it via email, send it as an attachment, to writing@semo.edu. Staff in CWE will score your essay as either Credit or No Credit. If your essay is scored No Credit, you will be provided with one opportunity for a rewrite, following a schedule determined by the Director of University Studies.

Instructions for the reflective essay:

Veterans and currently serving military personnel with 20 or more years of qualifying service, either Active or Reserve Component, are eligible to apply for senior seminar credit based on their military service. To earn this credit, students must complete a 4-5 page (1,000-1,500 words) reflective essay on their military career (typed, double-spaced, use font: Times New Roman 11 or 12). Potential areas to discuss include:

- Motivation for beginning and continuing military service
 - The relationship of the individual to the group
 - Examples of leadership
 - Experiences with diversity
 - Engagement with military leaders, internal and external
 - Personal growth
 - The impact of overseas service
 - Key educational experiences
 - The development of communities within the military
4. Once your essay receives credit, the Director will sign the form; our office will forward the form to the Registrar's Office for action. You will be notified by email when your DegreeWorks audit shows the course credit, or you will be advised that the substitution was not approved.
