

Physical Education majors will...

- Be prepared as K-12 Physical Educators eligible to teach in public and private schools
- Engage in experiential learning throughout the program
- Gains hands on experience in local classrooms starting in their second year of study
- The K-12 Physical Education at Southeast is unique in its structure in that it provides more hands on experience than other programs, but also includes unique courses in Injury Management, Rhythms, and Fitness Conditioning
- The Physical Education faculty is a dedicated group of professionals from diverse backgrounds who have accumulated years of experience in the field.

Career Planning

Career preparation is part of the mission of Southeast. In fact, more than 90% of Southeast students participate in internships, clinical opportunities, student teaching, research assistantships, and study abroad.

Professional career counselors are available for all students. The Office of Career Services in Academic Hall 057 can provide students with professional career counseling, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001/CL002	First Semester	Complete the FOCUS2 assessment and develop a Career Action Plan.
CL003	Junior Year	Students gain information about career planning and job searching resources.
CL004	Senior Year	Students demonstrate advanced proficiency by identifying a position in their field, developing a cover letter, and tailoring a resume for the position. Materials are critiqued to ensure preparedness for a successful job search.

Internship and Employment Opportunities of Recent Graduates/ or Graduate Schools and Programs of Recent Graduates

- The program prepares students to work in K-12 schools as Physical Educators
- Many graduates of the Physical Education Program decide to enter coaching in addition to teaching
- Graduates of the Physical Education program include numerous excellent educators in the state and region, but also include nationally recognized collegiate coaches such as Linda Wells (softball), Dr. Tim Rademaker (pole vault), and numerous collegiate basketball and football coaches.
- Some graduates decide on careers outside of traditional classroom teaching such as occupations in the recreation or fitness industries.
