

Bachelor of Science (BS)

Hospitality Management

Hospitality management involves planning, organizing and directing of human and material resources within the lodging, restaurant, travel and tourism, recreational management, and meeting and convention planning industries.

Hospitality management students gain experiential learning in a 12-credit hour internship that develops exposure and understanding of actual operations within the hospitality industry. This experience helps students in identify employment opportunities upon graduation.

Hospitality Management students will...

- Interact with faculty with experience in various areas of hospitality management, including lodging management, culinary arts, catering and event planning.
- Receive personal curriculum advisement from the hospitality management faculty.
- Receive ServSafe® certification, as well as access to scholarships from the Missouri Restaurant Association.
- Have access to internship locations throughout the United States and abroad.
- Be prepared for management-level careers upon completion of the major and internship requirements.

Career Planning

Career preparation is part of the mission of Southeast. In fact, more than 90% of Southeast students participate in internships, clinical opportunities, student teaching, research assistantships, and study abroad.

Currently 90% of Hospitality Management graduates find employment within one year of graduation.

Professional career counselors are available for all students. The Office of Career Services in Academic Hall 057 can provide students with professional career counseling, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students

CL001/CL002	First Semester	Complete the FOCUS2 assessment and develop a Career Action Plan.
CL003	Junior Year	Students gain information about career planning and job searching resources.
CL004	Senior Year	Students demonstrate advanced proficiency by identifying a position in their field, developing a cover letter, and tailoring a resume for the position. Materials are critiqued to ensure preparedness for a successful job search.
