

Middle School Education- Language Arts

Bachelor of Science in Education (BSED)

Middle School Education – Language Arts

The College of Education creates a supportive climate to help all pre-education majors meet the rigor of teacher education. Students have the opportunity to participate in Tomorrow's Teachers Learning Community which links cohort learning and living opportunities. Students also receive support in preparation for the entrance exam required for admission. We currently offer 27 undergraduate licensure programs and options for advanced licensure, as well. Students say the learning community and cohort structure of our programs encourage a strong bond with peers and increased success across the program.

Middle School Education students will...

- Participate in multiple field experiences in local classrooms.
- Integrate technology into the curriculum with our one-to-one instructional model.
- Have the opportunity for student teaching abroad, including our partnership with Eagles College in Iquique, Chile.
- Opportunities for leadership in our numerous student organizations.
- Have full-time faculty with experience in the classroom as their primary instructors.
- Enjoy the benefit of national accreditation of our programs.

Career Planning

Career preparation is part of the mission of Southeast. In fact, more than 90% of Southeast students participate in internships, clinical opportunities, student teaching, research assistantships, and study abroad.

Professional career counselors are available for all students. The Office of Career Services in Academic Hall 057 can provide students with professional career counseling, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001/CL002	First Semester	Complete the FOCUS2 assessment and develop a Career Action Plan.
CL003	Junior Year	Students gain information about career planning and job searching resources.
CL004	Senior Year	Students demonstrate advanced proficiency by identifying a position in their field, developing a cover letter, and tailoring a resume for the position. Materials are critiqued to ensure preparedness for a successful job search.

Education Outlook

- Students secure teaching positions across the state of Missouri.
- High needs areas of teacher licensure include: math, science, special education, foreign language, English language learners.
- Placement rates are high for alumni.
- First year teachers report feeling well prepared by Southeast Missouri State University on our annual survey of first-year teachers.
- Principals also report elementary education graduates are well-prepared as beginning teachers.

EDvolution

All students in the College of Education must rent or purchase an iPad for use during the program.

- Tech for You: become a better student with technology
- Tech for Us: learn how to teach with technology
- Tech for Them: use technology in your field experiences

Admission Requirements
