Human Environmental Studies: Dietetics Option
Bachelor of Science (BS)

Dietetics students will...
- Interact with qualified, dedicated faculty.
- Develop a strong foundation in evidence-based nutrition principles and practices.
- Receive hands-on experience in a variety of settings including clinical nutrition services, food service management and community nutrition.
- Have the opportunity to network with professionals in the field of dietetics.

Career Planning
Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

Approximately 90% of students seeking Dietetic Internships are accepted into ACEND approved programs.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Admission Requirements
Students wishing to be formally admitted into the Dietetics Option must meet the following admission criteria:
1. Completion of 45 semester hours.
2. Minimum cumulative 3.0 GPA.
3. Completion of the following course work (or equivalent) with a minimum grade of "C": MA134; CH 181; EN 140; FN 235; BS 113.
4. Completion of all developmental courses (if applicable).

Special Options with Child Development
Southeast offers a Master of Arts in Human Environmental Studies.

This is a guide based on the 2017-2018 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use DegreeWorks to monitor their individual progress.
