Recreation & Park Administration

The Department of Health, Human Performance and Recreation at Southeast Missouri State University has been preparing recreation and leisure professionals since 1988. The Recreation program is accredited by the Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT). The Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT) accredits baccalaureate programs in parks, recreation, tourism, sport management, event management, therapeutic recreation, and leisure studies offered at regionally accredited institutions within the United States and its territories, and at nationally accredited institutions in Canada, and Mexico.

Recreation students can choose from a wide variety of career paths including programming and administration of recreational services for city parks and recreation departments, non-profit organizations like YMCAs and Boy's and Girl's Clubs, branches of the military, and for people with disabilities and other special needs. View more possible career options available for the future recreation professional.

Recreation students will...

- Interact with qualified, award winning faculty in a small class environment.
- Have the opportunity to apply the knowledge you gain in the classroom to real-world experience in the field.
- Immediately begin interacting with recreation professionals.
- Complete a 12-week, 480-hour internship.

Career Planning

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

Currently, 100% of recreation graduates find employment within a year of graduation.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001	First Semester	Students connect academic career planning by completing an online career assessment
CL002	Second Semester	Students learn more about resources available to enhance academic and career planning
CL003	Junior Year	Students learn about continued career planning, job search strategies, and networking
CL004	Senior Year	Students learn about resume development, professional communication, interviewing, and transitioning to the first job from college
