

Bachelor of Science in Education (BSED)

Art Education

The Department of Art and the College of Education collaboratively designed a curriculum accredited by NCATE – The Standard of Excellence in Teacher Preparation program, to insure art education students are well prepared for the rigorous and rewarding career of teaching art. The art education student will take art studio courses in Drawing, 2D and 3D Design, Color Composition, Ceramics, Sculpture, Painting, Printmaking, Fibers, and Computer Graphics. Additional courses in Art History will give the student depth and insight into global and contemporary art. The student's teaching skills will develop through comprehensive education courses and the opportunity to apply what they have learned in the area's schools art classrooms.

Art Education students will...

- Participate in multiple K-12 field experiences in local art classrooms, Summer Art Academy workshops, and Art Reach workshops.
- Have full time studio art faculty teaching a wide range of media in highly equipped studio spaces.
- Have full time art education faculty with experience in the K-12 art classroom as their primary advisor and instructor.
- Integrate technology into the art curriculum with the one-to-one instructional model.
- Have the opportunity for student teaching in the United States or abroad.

Career Planning

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study abroad program, clinical opportunity, student teaching or research internship.

Art education graduates have been successfully hired as full time art educators in public and private schools.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001	First Semester	Students connect academic career planning by completing an online career assessment
CL002	Second Semester	Students learn more about resources available to enhance academic and career planning
CL003	Junior Year	Students learn about continued career planning, job search strategies, and networking
CL004	Senior Year	Students learn about resume development, professional communication, interviewing, and transitioning to the first job from college

Internship and Employment Opportunities of Recent Graduates/ or Graduate Schools and Programs of Recent Graduates
