

Theatre: Design & Technology Option

Bachelor of Fine Arts (BFA)

Design & Technology Option

The BFA in design/technology is a professional training program that prepares students for careers in theatre, film, and television. Design and technology majors have the opportunity to participate in six large-scale and several smaller productions each year. They also participate in the Fault Line Film Festival and vie for summer employment at regional and national theatre festivals.

NAST
Accredited

The rigorous training and varied experiences of this BFA provides an excellent foundation for careers in advanced stagecraft and design.

Design & Technology students will...

- Train with experienced faculty and staff in the areas of scenic design and painting, lighting and sound design, costume design, and construction.
- Prepare for rewarding careers as a professional theatrical designer or technician.
- Study and train in the beautiful River Campus, a multimillion dollar facility devoted to the visual and performing arts.
- Benefit from an established program of collaboration with professional guest designers in the areas of scene, lighting, sound and costumes.
- Establish relationships with professional designers, engineers, technicians, and theatre and film companies through internships, conferences, festivals, and post-graduate job placement and graduate school interviews as part of the Senior Showcase

Career Planning

Career preparation is part of the mission of Southeast. In fact, more than 90% of Southeast students participate in internships, clinical opportunities, student teaching, research assistantships, and study abroad.

Southeast Design/Technology graduates are employed as professionals in cities such as New York, Los Angeles, Chicago, Philadelphia, and St. Louis.

Professional career counselors are available for all students. The Office of Career Services in Academic Hall 057 can provide students with professional career counseling, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students		
CL001/CL002	First Semester	Complete the FOCUS2 assessment and develop a Career Action Plan.
CL003	Junior Year	Students gain information about career planning and job searching resources.
CL004	Senior Year	Students demonstrate advanced proficiency by identifying a position in their field, developing a cover letter, and tailoring a resume for the position. Materials are critiqued to ensure preparedness for a successful job search.
