# Corrections Option

A major in criminal justice offers outstanding academic preparations for careers in law enforcement and corrections. The Department of Criminal Justice prepares students to contribute to the pressing social problems in the areas of crime prevention, protection and rehabilitation. A college degree is becoming necessary to advance in today's criminal justice careers.

Within the major of criminal justice, we offer three options: Law Enforcement, Corrections and Criminology. The corrections option prepares to enter corrections positions at the local, county, state and federal levels. Courses in this option include constitutional rights of inmates, community-based corrections, offender rehabilitation and correctional institutions. This option prepares students for managerial positions in corrections and law enforcement, federal law enforcement positions that require specialized skills, and/or graduate studies.
