The Department of Nursing offers a Bachelor of Science in Nursing (BSN). Within the BSN program there is a baccalaureate completion (RN-BSN) option for registered nurses desiring a Bachelor of Science in Nursing. The RN-BSN option is offered as an entirely online program.

The RN-BSN program is approved by the Missouri State Board of Nursing and accredited by the Commission on Collegiate Nursing Education (CCNE).

**Nursing (RN-BSN) students will...**
- Receive course credit or competency credit for previous education and professional experience.
- Enjoy flexibility in the scheduling of coursework that is completely online, including University Studies (general education) courses.
- Be able to schedule required field experiences in their geographic area and place of employment.
- Receive individualized advising from academic advisors devoted to RN-BSN students.
- Be required to complete only six nursing courses in addition to any University Studies and pre-requisite courses needed.

**Career Planning**
Nursing (RN-BSN) students may continue to function in their current area of employment upon graduation and will be eligible to apply for leadership and/or management positions. Graduates will also be eligible to apply for admission to any MSN program.

**About Our Online Programs**
At Southeast, if a program is designated as an online degree, you can complete your degree anywhere, without ever having to come to one of our campuses. As a student in an online class, your faculty will be the same faculty who teach in our campus classrooms. Advising for online programs and other support services are all completed online by staff who specialize in serving distance students.

**Employment Opportunities of Recent Graduates**
- Southeast Health
- St. Francis Medical Center
- Missouri Delta Medical Center
- Perry County Hospital
- Ste. Genevieve Hospital
- Barnes Hospital, St. Louis
- Children’s Hospital, St. Louis
- SSM System, St. Louis

**Graduate Schools and Programs of Recent Graduates**
- Southeast Missouri State University
- St. Louis University
- University of Missouri - St. Louis
- University of Missouri

**Admission Requirements**
Applicants must:
1. Must be a permanent resident of Missouri, Illinois, Kentucky, or Arkansas.
2. Have a minimum Cumulative 2.8 GPA that is indicated on your Southeast Missouri State University Detailed DegreeWorks. To access your DegreeWorks, click the Student SS tab in your MySoutheast portal and then click on DegreeWorks Student.
3. Have a valid nursing license in the state in which you practice and have successfully completed the following: Anatomy & Physiology I and II, Microbiology, English Composition II, Chemistry and the majority of the non-nursing courses.
4. Meet all requirements of a background check verified by CastleBranch. A code will be given to you to subscribe to this service once the Director of the RN-BSN program and the Southeast online program specialist have verified that all criteria listed above is met.

**Special Requirements with Nursing RN-BSN (Online)**
Special tuition rates are required for this program of study, [http://www.semo.edu/sfs/fee-schedule.htm](http://www.semo.edu/sfs/fee-schedule.htm)
This is a guide based on the 2017-2018 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

- These courses are typically offered in an eight-week format in the spring or fall semesters
- These courses are typically offered in a summer session.
- These courses are typically offered over the intersession (listed as part of the spring semester).
- Students are restricted to one intersession course per semester.
- Fulfills University Studies requirement
- Both part-time and full-time study are available.

Personalized Pathways:
At Southeast, we offer online courses in a traditional 16-week fall and spring semester with eight-week sessions in the first and last half of both. In addition, we offer a wintersession between fall and spring and at least six different 4, 6, and 8 week sessions over summer. (Nursing specific (NS) courses are only offered in the fall and spring semester.) Talk with an advisor to see how you can utilize these different sessions to expedite your degree completion.
