Art Education

Bachelor of Science in Education (BSED)

The Department of Art and the College of Education collaboratively designed a curriculum accredited by NCATE – The Standard of Excellence in Teacher Preparation, to insure art education students are well prepared for the rigorous and rewarding career of teaching art. The art education student will take art studio courses in Drawing, 2D and 3D Design, Color Composition, Ceramics, Sculpture, Painting, Printmaking, Fibers, and Computer Arts. Additional courses in Art History will give the student depth and insight into global and contemporary art.
