

Applied Technology

Bachelor of Applied Science (BAS)

Applied Technology

The Applied Technology degree is specifically designed for students who have earned a technically-oriented Associate of Applied Science (AAS) degree from an accredited institution. The courses in this program allows students to build on the AAS curriculum to earn a 4-year Bachelor of Applied Science degree.

Applied Technology students will...

- Apply credit they received from an Associate of Applied Science Degree to a Bachelor of Applied Science Degree.
- Understand the fundamental concepts required to be a professional in their chosen field, including concepts in mathematics, physical sciences, technology, and management.
- Obtain more specialized knowledge in elective areas of the students choosing- including construction, electrical systems, mechanical systems, manufacturing, networking, facilities, and/or computer graphics.

Career Planning

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Faculty advisors within the department can fine-tune this assistance for the student's chosen discipline and help connect the student to employers in the region.

Career Opportunities

These will vary considerably for this program as it is designed to qualify students to advance into technical management roles with appropriate work experience. However, entry-level position will vary based on AAS degree obtained and electives chosen.

Additional Admission Requirements

In addition to the normal University admissions requirements, the Applied Technology program requires that students complete an Associate of Applied Science degree at a regionally accredited institution in a technical field. This credit will automatically be applied upon submission of the transcripts to the University.

Transfer and Dual Credit Students

If you have dual credit or transfer credit, please visit our transfer course equivalencies guide at semo.edu/transfercredit.

Applied Technology

Bachelor of Applied Science (BAS)

This is a guide based on the 2018-2019 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

CURRICULUM CHECKLIST

APPLIED TECHNOLOGY - 51-55 Hour Major - No Minor Required

Required Courses:

- EN100 English Composition I (3)*
- IM 300 Technical Communication (3)
- IM 301 Industrial Safety (3)
- IM 311 Statistical Process Control (3)
- IM 419 Industrial Supervision (3)
- IM 506 Projects in IET (3)
- MN 220 Engineering Economic Analysis (3)
- UI 319 Science, Technology & Society (3)
- UI 410 Manufacturing Research in a Global Society (3)

Choose one course*:

- CH 180 Chemistry in Our World (3)
- CH 181 Basic Principles of Chemistry (5)
- CH 185 General Chemistry I (5)
- PH 106 Physical Concepts (3)
- PH 120 Introductory Physics (5)

Choose one course*:

- MA 116 PrecalculusA (3)
- MA 137 Precalculus (5)

APPLIED TECHNOLOGY ELECTIVES - 18 hours

- Upper level technical electives - Determined by consulting with an advisor (18)

*If not transferred in with AAS degree.

University Studies Requirements – some requirements may be fulfilled by coursework in major program

- Social and Behavioral Sciences – 3 hours
- Constitution requirement – 3 hours
- US History requirement – 3 hours
- Written Communication – 6 hours
- Oral Communication – 3 hours
- Natural Sciences – 7 hours (from two disciplines, one to include a lab)
- Mathematics – 3 hours
- Humanities & Fine Arts – 9 hours (from at least two disciplines)
- Additional requirements – 5 hours (to include UI100 for native students)

Notes:

- Admission to this program requires an earned AAS degree.
- Must have a total of 39 credit hours of 300-599 level classes.
- Work with an advisor to determine electives. The prerequisites for the upper-level electives must be completed through a combination of these courses and courses taken during the AAS degree program.
- Technical electives are typically courses with prefixes of CM, ET, FM, GM, IE, IM, MN, PG, or TN
- Some upper level electives may require additional courses as prerequisites beyond what is shown here.

SAMPLE PLAN

NOTE: Because the courses accepted from the transfer AAS degree can vary greatly, the courses required to take at Southeast to complete this program can also vary and cause deviation from the plan below.

	Fall Semester		Spring Semester	
	Course #	Hrs	Course #	Hrs
FIRST YEAR	IM300	3	IM301	3
	MN220	3	IM311	3
	Applied Tech elective	3	UI319	3
	University Studies	3	Applied Tech elective	3
	University Studies	3	University Studies	3
	Total	15	Total	15
Milestone: maintain 2.0 cumulative GPA				
SECOND YEAR	IM419	3	IM506	3
	Applied Tech elective	3	UI410	3
	Applied Tech elective	3	Applied Tech elective	3
	University Studies	3	Applied Tech elective	3
	University Studies	3	University Studies	3
	Total	15	Total	15
Milestone: maintain 2.0 cumulative GPA				

Degree requirements for all students: a minimum of 120 credit hours, completion of University Studies program, completion of 39 senior division hours (300-599), Writing Proficiency Exam (WP003), and completion of the Measure of Academic Proficiency and Progress (MAPP) at the senior level. Refer to the Undergraduate Bulletin or Degree Works for additional graduation requirements for your program.

A minimum 2.00 GPA in the major and overall are required to graduate with a BAS degree.
