

Bachelor of Science in Business Administration (BSBA)

Entrepreneurship

The entrepreneurship program develops the ability to create ideas, identify opportunities and turn innovations into marketable solutions, regardless of career aspirations.

The entrepreneurship major offers students the opportunity to create, design, and develop innovative products and business models for startup and existing businesses. Students work alongside peers from many creative disciplines and successful entrepreneurs in in this effort.

Entrepreneurship students will...

- Interact with qualified, award winning faculty in a small class environment.
- Study in *Robert A. Dempster Hall*, an efficient and beautiful business building with a look and feel of a corporate environment.
- Have access to more than 30 study-abroad programs offered with the Harrison College of Business.
- Have access to Southeast's *Douglas C. Greene Center for Innovation and Entrepreneurship*, one of the largest entrepreneurship programs in the Midwest. Entrepreneurial studies can prepare students to be creative and innovative in their chosen careers.
- Have opportunities to participate in actual entrepreneurship development endeavors and a student creative lab and incubator, *Catapult Creative House*.

Career Planning

Currently, 98 percent of Harrison College of Business graduates find employment within a year of graduation.

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Entrepreneurship

Bachelor of Science in Business Administration (BSBA)

This is a guide based on the 2018-2019 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.

CURRICULUM CHECKLIST

"Critical Courses" are italicized and bolded. Data shows that students who have completed this course in the first two years and have earned the noted grade are most likely to complete this program of study.
