Mathematics Education

The Bachelor of Science in Education – Mathematics (9 – 12) prepares our majors for a career in education with a Missouri mathematics (9 – 12) teaching certificate when they successfully complete our program.

This program offers a solid foundation in calculus, algebra, geometry, and statistics. A focus on meaningful applications of the mathematics is a strong part of our program.

Secondary mathematics education students will...

- Interact with highly qualified, award winning mathematics education faculty in a technology rich environment.
- Be prepared for professional examinations for entrance to and exit from the College of Education.
- Have opportunities to attend conferences as participants or presenters.
- Be encouraged to join Math Club or Student Association of Mathematics Educators

Becoming Career Ready...

Faculty-mentored guidance will help you develop the professional skills needed to become a successful teacher and/or advanced study in graduate and professional programs.

B.S. in Math Education graduates work in the education field. Examples of job titles include elementary and high school math teacher and college math instructor.

100% of Southeast programs offer real-world experience. B.S. Ed. in Math Education students earn this experience through student teaching.

The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.

Internship and Employment Opportunities of Recent Graduates:

- Junior high and high schools, public and private, throughout the state.

Additional Information

The state of Missouri has high expectations for future educators. Students matriculating into education programs must meet the following standards to be recommended for licensure following degree completion.

Students must maintain a 2.75 cumulative GPA and a 3.0 GPA in both the area of content expertise and pedagogy courses. In addition, students must pass the MO Content Exam and the MO Educator Evaluation System for recommendation for licensure. Students must also fulfill other assessments such as a dispositions profile and be cleared through an FBI background check.

Special Options with Secondary Education

Southeast offers a Master of Arts in Secondary Education: Educational Studies or Educational Technology.

Transfer and Dual Credit Students

If you have dual credit or transfer credit, please visit our transfer course equivalencies guide at semo.edu/transfercredit.
This is a guide based on the 2019-2020 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.
