

Bachelor of Science in Business Administration (BSBA)

Finance

Finance majors are prepared for the increasingly important area of financial management in businesses, firms, and financial institutions. A financial officer is responsible for activities such as raising and allocating funds, cost analysis, forecasting and budgeting, investment management and formulating financial and credit operating policies.

Becoming Career Ready...

/ Qualified, award winning faculty interact with students in a small class environment, in Robert A. Dempster Hall, an efficient and beautiful business building with a look and feel of a corporate environment.

/ Finance graduates work in a wide variety of business and corporate settings including corporate finance, investment banking, commercial banking, asset management, real estate and personal financial planning. Examples of job titles include financial manager, financial analyst, credit analysis manager, controller/finance director, loan officer, bank examiner and residential broker.

/ Finance students have access to more than 30 study-abroad programs offered with the Harrison College of Business and Computing.

/ 100% of Southeast programs offer real-world experience. Finance students earn this experience through managing a "real money" portfolio. Students also have the opportunity to attend student finance conferences and visit financial institutions such as the Chicago Board of Trade, the Federal Reserve and the Mercantile Exchange.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.
