Today’s business world places new demands on business professionals not only to keep up with local and global change, but also to develop their leadership and interpersonal competencies required to work with people at all organizational levels. In addition, today’s managers must be able to:

- Address global opportunities, competition, and regulatory issues
- Utilize the latest technology in production, controls, and communications
- Interact productively with internationally diverse customers, employees and suppliers

Southeast Missouri State University MBA Program will guide students through all aspects of business and supply them with the knowledge to succeed in today’s business environment.

**ACCREDITATION**

All of the programs within the Harrison College of Business hold the prestigious accreditation of the AACSB, an honor held by only 5% of business programs worldwide. Accreditation by the Network of International Business Schools (NIBS) recognizes us for "deep" internationalization of all facets of our business program. Only 4 institutions in the U.S. have received this distinction. In addition, Southeast Missouri State University is fully accredited by the North Central Association. University accreditation insures a strong instructional environment for our programs.

Students admitted on probation must complete their first 9 hours of course work, including at least 6 hours at the 600 level, with a grade "B" or better. Students not meeting this requirement are subject to dismissal from the program.

All undergraduate requirements for admission must be satisfied before enrolling in the MBA required core or MBA elective courses. Students without an undergraduate degree in business must complete necessary foundation course work.

International students applying with a three year degree must have their transcripts evaluated by an outside agency such as WES ([www.wes.org](http://www.wes.org)) or NACES ([www.naces.org](http://www.naces.org)) for equivalency.
This is a guide based on the 2019-2020 Graduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on factors such as dual enrollment, remediation, and summer enrollment. Students meet with an academic advisor each semester and use Degree Works to monitor their progress.
