Elementary Ed / Middle School Science

Bachelor of Science in Education (BSED)

The Elementary Education / Middle School Science program of study prepares future teachers to work with students in elementary or middle school settings. Elementary Education students have the opportunity to participate in Tomorrow’s Teachers Learning Community, where they take courses and live in a residential hall with other education majors. Students also receive support in preparation for the Missouri General Education Assessment, which is required for admission to the Educator Preparation Program. We also provide our future educators the tools to learn to use and integrate instructional technology across our curriculum. Join our EDvolution of future educators!

Becoming Career Ready...

/ Students will be certified to teach grades 1–6 upon successful completion of this program and licensure exams.
/ Students will be certified to teach middle school sciences grades 5–9.
/ Students integrate technology into the curriculum with the EDvolution one-to-one instructional technology program.
/ Students have the opportunity for student teaching abroad, including our partnership with Eagles College in Iquique, Chile.
/ BS Ed. students have opportunities for leadership in numerous student organizations.
/ Full-time faculty with experience in the classroom are the primary instructors in the required courses.
/ The state of Missouri has high expectations for future educators. Students must maintain a 2.75 cumulative GPA and a 3.0 GPA in both the area of content expertise and pedagogy courses. In addition, students must pass the MO Content Exam and the MO Educator Evaluation System for recommendation for licensure.
Students must also fulfill other assessments such as a dispositions profile and be cleared through an FBI background check.
/ 100% of Southeast programs offer a real-world experience. Students get experience this through multiple field experiences in local classrooms. In addition, there are student teaching opportunities abroad.
/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.

Transfer and Dual Credit Students

If you have dual credit or transfer credit, please visit our transfer course equivalencies guide at semo.edu/transfercredit.

Education Outlook

• Elementary Education was the highest teacher shortage area in MO in 2019-2020. Science teachers are also in demand, as math is a high need field.
• Elementary Education graduates who add on Middle School Science certification find jobs as 1st – 6th grade teachers in public or private schools, as well as opportunities to teach science in grades 5 – 9.
• First year teachers report feeling well prepared by Southeast Missouri State University on our annual survey of first-year teachers.
• Principals report elementary graduates are well-prepared as beginning teachers on our annual survey about first-year teachers.

Admission Requirements

• 42 credit hours completed
• 2.75 cumulative GPA
• One of the following: 1) Composite/Superscore of 20 or higher on the ACT exam; 2) Passing scores on all sections of the Missouri General Education Assessment (MoGEA); or 3) A 4-year degree from an accredited college/university
• The following course requirements met:

Special Options with Elementary Education

This program of study is also available at the Regional Campuses (Kennett and Sikeston) and the Poplar Bluff Delivery Site. Southeast offers a Master of Arts in Elementary Education with an emphasis in Math/Science.
This is a guide based on the 2020-2021 Undergraduate Bulletin and is subject to change. The time it takes to earn a degree will vary based on several factors such as dual enrollment, remediation, and summer enrollment. Students will meet with an academic advisor each semester and use Degree Works to monitor their individual progress.
