

Bachelor of Science in Business Administration (BSBA)

Business Administration (Online)

The major in business administration prepares students for a variety of administrative opportunities in the education services industry, health care industry, state and local government, and finance and insurance sectors. It is also designed for those who want a general business major with an opportunity to study and build skills in a variety of business disciplines. Students can customize their program of study based on personal career interests. This major is ideal for part-time students or those who cannot travel to the Southeast campus to take courses since it provides a flexible delivery method (online courses).

Becoming Career Ready...

/ Qualified, award winning faculty interact with students in a small online class environment.

/ Business Administration graduates work in a wide variety of business and corporate settings including corporate finance, investment banking, financial and personnel operations, as well as, management and marketing roles.
