

**Bachelor of Science (BS)****Recreation & Park Administration**

The Department of Kinesiology, Nutrition, and Recreation at Southeast Missouri State University has been preparing recreation and leisure

**Council on Accreditation**

Parks, Recreation, Tourism and Related Professions

professionals since 1988. The Recreation program is accredited by the Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT). The Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT) accredits baccalaureate programs in parks, recreation, tourism, sport management, event management, therapeutic recreation, and leisure studies offered at regionally accredited institutions within the United States and its territories, and at nationally accredited institutions in Canada and Mexico.

Recreation and Park Administration graduates go into the world with skills and expertise to provide services that enhance quality of life and provide individual, social, economic and environmental benefits to the community. Professional careers in recreation and leisure services offer challenging, meaningful and highly rewarding opportunities. Whether you are interested in working with children, teens, adults or seniors-engaging in outdoor adventure, cultural arts, sports or social activities-in hospital/clinical settings, theme parks or the military-then Recreation and Park Administration offers job opportunities for you.

**Becoming Career Ready...**

/ BS in Recreation & Park Administration students interact with qualified, award winning faculty in a small class environment.

/ Recreation & Park Administration graduates work in community and municipal settings, as well as in federal parks, and private settings. Examples of job titles include director of aquatics center, recreation programs supervisor, city pool manager, seasonal camps director, park development manager and recreation division manager.

/ Recreation & Park Administration majors have the opportunity to apply the knowledge gained in the classroom to real-world experience in the field through interaction with recreation and park administration professional professionals.

/ 100% of Southeast programs offer a real-world experience. Recreation & Park Administration students gain this experience through a required 480 clock-hour internship at the completion of the degree program.

/ Currently, 100% of Recreation & Park Administration graduates find employment within a year of graduation.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests, and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities and more.
