

Master of Business Administration (MBA)

Today's business world places new demands on business professionals not only to keep up with local and global change, but also to develop their leadership and interpersonal competencies required to work with people at all organizational levels. In addition, today's managers must be able to:

- Address global opportunities, competition, and regulatory issues
- Utilize the latest technology in production, controls, and communications
- Interact productively with internationally diverse customers, employees and suppliers

Southeast Missouri State University MBA Program will guide students through all aspects of business and supply them with the knowledge to succeed in today's business environment.

ACCREDITATION

All of the programs within the Harrison College of Business hold the prestigious accreditation of the AACSB, an honor held by only 5% of business programs worldwide. Accreditation by the Network of International Business Schools (NIBS) recognizes us for "deep" internationalization of all facets of our business program. Only 4 institutions in the U.S. have received this distinction. In addition, Southeast Missouri State University is fully accredited by the North Central Association. University accreditation insures a strong instructional environment for our programs.

A Master's in Business Administration at Southeast will...

- Open doors to better employment opportunities
- Increase your lifetime earning potential by 50%
- Give you a promotion advantage
- Enhance your management skills
- Increase your confidence, maturity and influence in the workplace

Career Planning

Currently, 98 percent of Harrison College of Business graduates find employment within a year of graduation.

St. Louis Business Interview Days offers Southeast business students a one-of-a kind interviewing and networking opportunity.
