

Green STEM Girls

Go Green, Save Green
Summer Academy 2016
(Current Grades 6, 7, and 8)

Sponsored by Southeast Missouri State University
College of Science, Technology, and Agriculture

Join us **June 14 – June 17**

for an academic, fun-filled three days of innovative activities developed to spark a more profound interest in science, technology, engineering, and mathematics (STEM)! Learn what it's like to be college bound and bring ideas back to your community.

SOUTHEAST MISSOURI
STATE UNIVERSITY · 1873
