We received the Systems Appraisal on October 20, 2014, from the Higher Learning Commission (HLC). This appraisal was better than our 2010 appraisal. There are no accreditation issues. A response acknowledgement was sent to HLC. We will address opportunities or other issues as appropriate.

Our Action Project updates were submitted September 30, 2014. We will solicit new projects to be implemented by the end of Spring 2015 when we return for the spring semester.

Our Institutional updates were verified and uploaded by Dave.

Dave asked members to review pages 7 and 8 of the Systems Appraisal before our next meeting. Members were asked to look over the O's and OO's and think about how we can respond to them. Dave will bring Chris Frazier's feedback to that meeting.

Dave will send the Systems Portfolio Guide to members to help them understand the Portfolio.

Southeast will send a team to the Strategy Forum on April 22-24, 2015. This is the Strategic Planning Strategy Forum where we will identify new Action Projects for Southeast. The Team will start preparing in early February. Team members are:

President: TBD

Accreditation Liaison Officer/AQIP Liaison: David Starrett

Institutional Research & Assessment: Kang Bai

Provost: Bill Eddleman

Accounting & Finance: Kathy Mangels

Enrollment Management & Student Success: Bruce Skinner

Faculty: David Probst, Susan Swartwout

Kang Bai has completed his training as an AQIP Peer Reviewer.

The November 25 meeting is cancelled. On December 9 we will meet and discuss the Spring 2015 schedule and our Spring tasks.

Meeting adjourned.
