The AQIP Steering Committee (ASC) was given notebooks containing the Federal Compliance Report, Quality Program Summary Report, and the Systems Portfolio. This information will be given to the check-up visitors September 12, 2012.

Today's agenda gives the days and times ASC meets with the check-up visitors. Dave asked everyone to be there if possible.

The visiting team will arrive Tuesday afternoon, September 11. The team will meet with Dave at 8:30 Wednesday morning to go over the agenda, rooms, etc. If the agenda needs changing, they will tell Dave at that time. All logistics for the visit are set: keys, food, transportation, computers, wireless access, etc.

We received one more public comment after the deadline. Dave sent the comment to the Provost and President.

Additional Newswires will go out September 7 and 11. The campus received a newsletter from ASC last week. The KRCU interview airs September 10. There will be an article in the September 12 issue of the Arrow.

Dave reminded ASC about the debriefing, recognition lunch, September 14, 12:30 p.m., in the UC Program Lounge. Dr. Dobbins is sponsoring the lunch for ASC.

ASC will continue to meet on Mondays, 4:00 – 5:30 p.m., during the fall semester.

The next meeting will be September 17 at 4:00 p.m.
