HL 261 EXERCISE SCIENCE PRACTICUM

SOUTHEAST MISSOURI STATE UNIVERSITY

COLLEGE OF HEALTH AND HUMAN SERVICES

DEPARTMENT OF HEALTH, HUMAN PERFORMANCE AND RECREATION

INTRODUCTION

THE PRACTICUM

The term, “Practicum,” refers to a supervised learning experience with an approved agency, organization, or institution. Practicum allows the student to develop and mature through exposure to, and practical experience with, a variety of tasks under the guidance of trained, established leaders in the field. In addition, a variety of Practicum sites will afford the students the opportunity to observe and experience firsthand many different aspects of their chosen field and may influence a career choice or career enhancement for the Health Management major.

The Exercise Science Practicum at Southeast Missouri State University is required of all students attaining a Bachelor of Science degree with a major in Health Management – Exercise Science Option through the College of Health and Human Services.

Placement length/credit hours. Practicum, HL 261, is offered for 3 credit hours. Students will make a contract with two Department-approved agencies of their choice for 6 weeks at each agency, a minimum of 5 hours per week (for a total of 30 hours). Hours will be scheduled respective to the agency’s work schedule and to each student’s availability. It is important that students design their schedules to gain the most valuable experience and not display an attitude of “putting in” a minimum number of hours.

Approved site. The professional agencies should be matched with the students’ needs and interests to fulfill best their professional and personal goals. The student shall work in conjunction with the appropriate University Practicum Supervisor (hereafter referred to as University Supervisor) to identify approved sites.

Practicum Site Requirements:

1. The agency should have a quality program and be able to provide a variety of experiences.
2. The agency and its staff should be willing to provide opportunities for active leadership as well as observation of programs and services.
3. The agency should be willing to orient students to agency operation and expectations.

4. The agency should realize that most of the students will have had no prior experience and/or knowledge of that agency's services, and, hence, the students should not be expected immediately to fill the duties and responsibilities of a trained employee.

Repeat placement. Students may not utilize the same Practicum sites for both experiences.

The Practicum experiences are designed to enhance the students' awareness and comprehension of the field of exercise science, and they are therefore encouraged to seek different experiences through their site placements.

Classroom preparation. The Practicum student will be professionally prepared in career pursuits. In addition to learning about career opportunity resources, he/she will develop a resume and cover letter. Further, the student will experience interview procedures and protocol (see Appendix A, Guidelines and Examples: Resume, Cover Letter, and Interview, Pages 6 – 8 as well as the textbook that is required for the class: *Seagle, E. & Smith, R. (2002) Internships in Recreation and Leisure Services: A Practical Guide for Students. Venture Publishing.*)

PURPOSE OF THE MANUAL

This *Practicum Manual* has been developed in order to provide specific details for the Practicum experiences. It will serve to:

1. Provide the Practicum students, the Practicum students' supervisors at the agency/organization/institution for the Practicum experiences (hereafter referred to as Agency Supervisors) and the Practicum students' faculty member supervising their Practicum experiences, information regarding policies, procedures, roles, and responsibilities.
2. Promote communication and understanding among the various participants in the Practicum experiences.
3. Guide the Practicum students efficiently and effectively through the Practicum experiences.
4. Define the Practicum through delineation of its purposes, objectives, and procedures.

PURPOSE AND OBJECTIVES OF THE PRACTICUM PROGRAM

Purpose. The basic purpose of the Practicum is to expose the students to various career options mostly through practical experience and some observation (work shadowing) at their Practicum sites so that they might discover or fortify the determination of their career path.

Basic objectives of the Practicum. After completing the Practicum, the students should be able to demonstrate the following:

1. An understanding at the paraprofessional level of the development and performance of specific agency programs;
2. A knowledge of an organized program, specifically, (a) development, (b) organization, and (c) administration.
3. Practical application of skills in order to discover professional strengths as well as areas needing further development; and
4. Concern for professional growth.

PRACTICUM ELIGIBILITY REQUIREMENTS

Prerequisites for Practicum are twofold: (a) the student must be declared as Health Management majors, (b) the student must have sophomore standing, and (c) the student must have successfully taken HL 111 and HL 120. Although students may meet the basic requirements, they must be accepted by an agency before final placements at their sites are confirmed.

PROCEDURES FOR THE PRACTICUM PROGRAM

The Following Steps Must Be Completed In Order:

1. Read the *Practicum Manual*: provide access to the *Practicum Manual* and necessary forms for the agency when needed.
2. Verify that the basic requirements for the Practicum have been completed.
3. Refer to Appendix A, Guidelines and Examples: Resume, Cover Letter, and Interview, as necessary.
4. Complete Agency Acceptance Form (see Appendix B, Site Contracts). Site A Contract, first half of the semester and Site B Contract, second half of the semester, will be submitted to the Agency Supervisor at each of the two Practicum sites.
5. Return to the University Supervisor Site A Contract & Site B Contract for both the first seven-week Practicum site by the date specified by the course instructor.
6. Submit Supervisor's Evaluation Form to the Agency Supervisor the first day of each Practicum experience (see Appendix B, Site A Evaluation first half of the semester, and Site B Evaluation, second half of the semester).
7. Return to the University Supervisor a completed Site A Evaluation for the first Practicum site no later than the due date set by the instructor. Return to the University Supervisor a completed Site B Evaluation for the first Practicum site no later than the due date set by the instructor.

SUGGESTIONS FOR RESUME WRITING

- ❖ KEEP WRITING STYLE SIMPLE AND BRIEF
 - ❖ BEGIN SENTENCES WITH IMPRESSIVE ACTION VERBS.
 - ❖ JUSTIFY EVERY ENTRY IN THE RESUME. ASK: DOES IT HELP?
 - ❖ CONFINE THE RESUME TO ONE PAGE IF POSSIBLE – NO MORE THAN TWO
 - ❖ EMPHASIZE SKILLS AND ACCOMPLISHMENTS. AVOID THE NEGATIVE
 - ❖ DETAIL RELEVANT EXPERIENCE. CONDENSE NON-RELEVANT ITEMS.
 - ❖ INDICATE TRANSFERABLE SKILLS
 - ❖ PREPARE A PERFECTLY TYPED (TYPESET OR WORDPROCESSED) FINAL DOCUMENT ON PAPER OF HIGH RESUME QUALITY.

BE ABLE TO GIVE CONCRETE EXAMPLES OF YOUR DEMONSTRATED ATTRIBUTES!

REFERENCES

If at all possible, provide a list of references to the agency with your resume. "Available upon request." simply makes the employer take another step in finding out if he or she wants to interview you. **Before listing anyone as a reference, ask their permission.** Potential references include current or past employers, supervisors, and instructors.

THINGS TO LEAVE OFF OF A RESUME

1. Negative facts about yourself
2. Every job you have held, unless there are fewer than five
3. Your age (birthday), height, weight, race, gender, and marital status
4. High school information, if you have education or training beyond that level
5. Political or religious affiliations
6. Membership[s] in controversial organizations
7. Social security number
8. Any mention of salary
9. Photographs or artwork

COVER LETTER

A cover letter should accompany every resume you send. A basic cover letter consists of four paragraphs. The first paragraph should tell the reason you are writing in a manner that arouses the employer's interest. This section should include the specific position you are applying for, perhaps the source from which you learned about the job, and what interests you about the position.

The middle paragraph or paragraphs should convey your interest in the position and explain the reasons for your interest. Describe what you can do for the company and rely on your education, training, and specific qualifications. It should also include information that highlights experiences that you have had that will fit with their job description or what they are looking for. **Do not** write verbatim what is on your resume. Rather, highlight and expand on the areas that are of particular importance to the job you are pursuing.

The last paragraph is your opportunity to summarize your information and leave them with the ideas that they want to contact you.

Mr. Charles Brown
Personnel Manager
Human Power Inc.
123 Tupelo Street
Kansas City, MO 66666

August 17, 2004

Dear Mr. Brown:

Please accept this letter in application for your Coordinator of Fitness and Wellness position. After speaking with Ms. Chaves in your agency about this position, I am confident that I can meet and exceed your expectations of a Coordinator.

As my enclosed resume indicates, I have been working as a Fitness Specialist for children for the past two summers for Main Street Fitness in Jackson, MO. Through this experience, along with the opportunity to assist in the scheduling and training of group exercise instructors for Southeast Recreational Sports, I have gained skills in activity leadership, personnel supervision, and wellness program development. In addition, I have become adept at the techniques for providing fitness assessments and am interested in applying these skills in the administration of a fitness assessment program such as you provide.

In conclusion, I feel that I have the qualifications necessary to meet your agency's needs. I am excited at the opportunity to serve Human Power's clients. Please do not hesitate to contact my references or myself for further information. Thank you for your time and consideration

Sincerely,

(written signature)

Suzy C. Student
