

Specialty Injectable Medications List

These Specialty Injectable Medications are placed in the following tiers on the UnitedHealthcare Prescriptions Drug List.

This list is only applicable for members with plan designs meeting the following criteria:

- The member's employer must be a small business with 2 to 99 employees
- The employers Benefit Plan effective date must be July 1, 2009 or later

Please note: If you are currently a member and wish to confirm whether or not this applies to you, please call the toll-free member phone number on the back of your ID card or visit myuhc.com[®]. If you are a pre-enrollee please refer to the benefit plan materials provided by your employer or health plan. This list does not apply to certain plan types in Colorado or Florida.

Some of these medications may be subject to notification, step therapy, or supply limit program requirements. To learn more about these requirements or about your pharmacy benefit, visit www.myuhc.com or call the toll-free member phone number on the back of your ID card.

All medications listed are injectable medications and are subject to change.

Some plans have a two-tier or four-tier pharmacy benefit.

Please refer to your benefit plan materials provided by your employer or health plan to determine which medications may be covered under your plan and to determine coverage limitations.
