Ex Officio: **President Dobbins**, **Provost Rosati**

Recorder: **Diane O. Sides**

### **Subcommittees**

#### **Technology Committee –**

Charges:

- Instructional manner will vary (more options for taking classes)
- More student services via Smartphones
- Information changes/crowd sourcing
- Flexibility in length and time courses are offered
- Technology changes

Committee charges: Committee should establish both short-term and long-term needs and list those needs in priority

Steering Committee Co-Chair – Dave Wilde

Co-Chair – Mary Harriet Talbut, (Middle & Secondary Ed) College of Education  
Committee Membership– Tom Westbrook (CSTL and Academics); Brian Holdman (University Relations); Julie Sappington (Nursing); Matt Wallhausen (Information Technology); Emily Denlinger (Art); Doug Koch (Industrial & Engineering Technology)  
Members from other subcommittees: Sophia Scott (Role of Faculty); Mark Blaylock (Student Services); Pat Ryan (Student Demographics); Frank Barrios (Student Demographics)

- Sub-subcommittees:**
1. Infrastructure
  2. Users and how used

#### **Curriculum, Academics, and Academic Program Committee –**

Charges:

- Flexibility in curriculum and programs
- Information changes/crowd sourcing
- Flexibility in length and time courses are offered
- More certificates in concentrated areas
- Employment base and relationships – teaching methods will change – faculty structure
- May not have same array of degree offerings

- Changes in degree mapping including career letters, DegreeWorks, three-year degree
- Program offerings for minorities
- Accreditation issues
- Life-learning credits
- Change in general education
- Increase in collaboration among institutions
- Globalization of Education – we have issues in how we educate students whose first language is not English

Committee Charges: How degrees are structured and how a degree is offered relating to teaching methods and the tie-in with course redesign.

Steering Committee Co-Chair – Allen Gathman

Co-Chair – Michael Taylor, (Biology) College of Science and Mathematics

Committee Membership –Amy Fritsch (Theatre & Dance); Robin Grebing (Online & Extended Learning, member of Steering Committee); James Stapleton (Innovation Center); Karen Grebing (Marketing & University Relations); Tammy Randolph (Mathematics); Willie Redmond (Economics & Finance); Lisa Bertrand (Ed Leadership & Counseling); Kim Madigan (Sikeston Regional Campus); Bill Bratberg (Middle & Secondary Education); and Tom Linares (Communication Disorders); Kari Hollerbach (Mass Media); David Price (Intensive English Program); Brent Wessel (Student Representative)

- Sub-subcommittees:**
1. Distance Education
  2. Flexibility
  3. Pedagogy & Globalization

## **Role of Faculty –**

Charges:

- Instructional manner will vary (more options for taking classes)
- Flexibility in length and time courses are offered
- Employment base and relationships – teaching methods will change – faculty structure
- Change in faculty roles/where faculty have been the educators, they may now be more managers of information and where/how to find it
- Change in education of faculty and staff

Committee Charges: Help change faculty perspectives on the need for change – some faculty are reluctant to change

Other areas to be considered are: training, development, incentives, teaching load e.g. different teaching methods may necessitate a need to figure different faculty loads, what is the role of research, and the need to value pedagogical research.

Steering Committee Co-Chair – Sophia Scott

Co-Chair – Debbie Lee-DiStefano, (Foreign Languages) College of Liberal Arts

Proposed Committee Membership – Wayne Bowen (History & representative of chairs); Kevin Dickson (Marketing & Management); Sven Svenson (Agriculture); Rachel Morgan Theall (Chemistry); Margaret Dalton (Ed Leadership & Counseling); Michael Parker (Social Work)

## **Student Services –**

Charges:

- Flexibility in financial aid packages to accommodate access and formation of student profiles
- 4-year institutions working closer with high school students
- Life-learning credits
- Change in financial aid disbursement
- Increase in collaboration among institutions
- Facing growing competition from “for-profits” and “private” institutions

Committee Charges: One-stop-shop, including advising, financial aid, admissions, career planning and placement

Input to be derived also from members of the Scholarship Committee, EDT Committee which is studying one-stop shop, and Strategic Enrollment Management Committee. Advising, specifically faculty advising issues.

Steering Committee Co-Chair – Debbie Below

Co-Chair – Bruce Skinner from Residence Life

Committee Membership – Dana Daniel (Advising); Verona Lambert (Student Financial Services); Mark Blaylock (Information Technology); Cheryl McAllister (Mathematics); Jim Champine (Biology); Joe Pujol (representing chairs and Health, Human Performance & Recreation); Jeremy Barnes (Health, Human Performance & Recreation); Sharon Burgard (Athletics); Theresa Haug-Belvin (New Student Programs); Vida Mays (Gear up/Upward Bound); Brian Kelly (Student Regent); Doris Dumey (CTS Staff); Sandy Hinkle (Registrar)

- Sub-subcommittees:**
1. One-Stop Shop/Enrollment Development
  2. Financial Aid/Scholarship
  3. Advising
  4. Co-curricular programs
  5. Collaborative Efforts, External Groups & Stakeholders

## **Student Demographic Changes –**

Charges:

- Demographics (e.g., age, race) changes
- Program offerings for minorities

Committee Charges: Financial aid and admission standards also are issues; impact on curriculum as the government and others have a different mission now for higher education; an understanding of underrepresented groups

Steering Committee Co-Chair – Frank Barrios

Co-Chair – Warren Anderson (Anthropology) from College of Liberal Arts

Committee Membership –Marsha Blanchard (Regional Campuses); Brandi Brooks (Admissions); a non-traditional student representative; a possible veteran; Heather Jones (International Education); Pat Ryan (Institutional Research); Lynn Moore (Human Environmental Studies)
