

COURSE SYLLABUS

SOUTHEAST MISSOURI STATE UNIVERSITY

Department of Elementary, Early & Special Education
Course: Parent/School Collaborations in Elementary /
Early Childhood Education

Course No. CE340
New: Sp 99

“The Teacher As Competent Professional Educator”

I. Catalog Description and Credit Hours of Course:

Emphasizes teacher and school administrator role in the development of parent/school partnerships, and techniques and strategies of effective collaboration. (3)

II. Prerequisite(s):

III. Purposes or Objectives of the Course:

Upon completion of this course it is expected that the student will be able to

- A. express a comprehensive view of the importance of the parent/teacher/school administrator relationship to child success in school.
- B. discuss the National Board of Professional Teaching Standards pertaining to parent/teacher/school administrator relationships.
- C. demonstrate techniques for communicating assessment and pupil progress information reflected in the Missouri Show-Me-Standards to parents.
- D. formulate strategies for working effectively with school administrators in involving parents in the school decision-making process.
- E. demonstrate strategies for communicating school policies and procedures to families and members of the community.
- F. exhibit skills needed in working with parents of children with special needs and parents of children representing diverse populations.
- G. discuss international issues and strategies of parent/school partnerships.

IV. Expectations of Students:

Students will

- A. attend class regularly, read assigned materials, and participate actively in class discussions.
- B. attend a parent meeting in local school. Prepare a written description/analysis of the program events; observable roles played by parents, teachers, administrator in the meeting; evidences of a spirit of collaboration among the groups, and effectiveness of the event.
- C. develop a table of contents for a parent/teacher handbook or a parent/teacher newsletter.

- D. prepare an annotated bibliography of 20 articles from professional journals related to the importance of parent/teacher/administrator collaborations in education.
- E. prepare a 5 page paper on an assigned topic related to parent/school collaborations.

V. Course Content or Outline:	Hours
A. Beyond open houses, fund raisers, and room mothers: What research tells us about parent involvement in schools.	5
B. Professional teaching standards pertaining to parent/teacher relationships -National board of professional teaching standards: Standard VII -Federal and State legislation -Federal and State initiatives and programs	6
C. Barriers and bridges to collaborations/partnerships -District policies related to involvement of parents in school activities/decisions -Impact of building principal on building partnerships/collaborations -Negative parent attitudes toward school -Negative teacher attitudes toward families and family involvement	5
D. Sharing policies and procedures: Creating an effective parent handbook -Characteristics of school handbooks -Developing a handbook: A shared process	6
E. Assessing and reporting pupil progress -Assessment and evaluation information related to pupil performance -Informing parents of the child's development and academic status -Incorporating parent input into assessment and evaluation	6
F. Planning and implementing effective parent conferences -Parent views of parent/teacher conferences -Parent-teacher-child conferences -Parent-teacher-administrator conferences -Transition and individualized education program (IEP) conferences	5
G. Effective school models of family involvement -Building a collaborative environment -Use of technology to link families to the school -Establishing family resource centers -Learning from the parent partnership in Chicago and school reform	6
H. Looking at parent/school partnerships internationally -Commonalities in barriers and bridges -Policies, support, and actions essential for effective partnerships -Models of family involvement and school improvement	6

VI. Textbook(s) and/other Required Materials and Equipment:

- A. Barclay, K. & Boone, E. (1995). *Building a three way partnership*. New York: Scholastic.
- B. Selected readings

VII. Basis for Student Evaluation:

Grade for the course will be based on student performance on course assignments, papers, and exams.

VIII. Knowledge Base:
