Located on the banks of the Mississippi River, Cape Girardeau is a college town of 40,000 residents. I-55 links Cape with St. Louis two hours to the north and with Memphis three hours to the south.

Enrollment: With an enrollment of 11,500, the student/faculty ratio is 20:1. Average freshman class size is 30-35. Students come from nearly all 50 states and countries around the world.

Curriculum: Southeast offers 200 areas of study in business, education, health professions, liberal arts, science, technology, and the visual and performing arts.

Activities: More than 150 organizations include national fraternities and sororities, honor societies, NCAA Division I athletics and more than 12 musical groups, including the internationally recognized Golden Eagles Marching Band.

Our new aquatic center is the only one of its kind in the country and has two pools, a bouldering/climbing wall, a zip line and a skate park.

Residence Halls: To support unprecedented enrollment growth, a new 262-bed, suite-style residence hall will open in the center of campus in fall 2013.

Towers Complex: Stay in shape at two recreation centers with basketball and racquetball courts, weight rooms, cardio equipment, an aerobics studio, climbing wall, indoor track and aquatic center.

Many consider Southeast’s residence halls to be the best in Missouri.
