Dean's Report:

- The Faculty Research Fellow Allocation will be made available for FY07.
- Janzow reported that the first day enrollment report shows a 3.5% decline in graduate enrollment.
- Janzow reported that the China trip to establish relationships with two new universities was a success and hopefully members of Southeast faculty would take the opportunity to teach an intensive short course there.
- There will be an appeal process added to the C Rule and documentation will be mailed to members when the final copy is submitted to the Academic Council.

The meeting adjourned at 9:20 a.m.
