

Request Form

Name: _____

Organization: _____

Contact Number: _____

Advisor: _____

Contact Number: _____

I _____ am requesting to lease the Student Government Association Sound System. I understand that by filling this out it does not guarantee that my organization will be granted this request. I understand that Student Government Executive Board will either Approve or Deny my request on Thursdays and they are not responsible for "last minute" requests. I also understand that if approved I will have to return to pick up the sound system during Kacee Kullums (Graduate Assistant) office hours. Failure to do so may result in my organization not having the speakers for my event.
