Organization Basics:

Organization name: Dance Marathon

Student Membership: 18 Total Membership: 19

Description/Purpose of Organization:

Dance Marathon is a nationally recognized student philanthropy which occurs at colleges and universities all over the United States. The money raised from our event will be donated to Children's Miracle Network Hospitals of Greater St. Louis, which will be split between St. Louis Children's Hospital and SSM Cardinal Glennon Children's Medical Center. Our organization works all year planning and promoting the 12-hour marathon event, which will be held on March 2nd, 2013. At this event, students will learn an energizing dance, play games, compete for prizes, and enjoy food while learning about Children's Miracle Network.

What role/impact does your organization have on campus? (Hosting other programs, group involvement, etc.)

We believe that Dance Marathon benefits student life because it provides a common cause around which Southeast students can unify. Many individual organizations will raise money or complete community service projects within themselves; Dance Marathon is different because it strives to bring many different groups and organizations together to interact and serve the community. Furthermore, Dance Marathon is a source of pride for the university, its students, as well as the Cape Girardeau community. Describe the purpose, goals and objectives of the event:

Dance Marathon has established a goal to raise \$10,000 for Children's Miracle Network, which will be donated directly to St. Louis Children's Hospital and SSM Cardinal Glennon Children's Medical Center. We hope to raise enough money to fund medical treatments for critically and/or chronically ill children. In addition, we hope to spread awareness about Dance Marathon and Children's Miracle Network.

What fundraising or what other sources of funding has your organization acquired? Please include specific amounts raised/received.

We requested \$345 from D.I.C.E and \$500 from RHA. In addition, we have received free pizzas to serve as our lunch at the event. We will also receive a meal (dinner) from Chartwells. The cost for the dinner will be covered by the President's Office. Pepsi Company has agreed to donate ten cases of beverages for the event.

What do you expect this event to bring to Southeast's campus and community?

We believe that Dance Marathon benefits student life because it provides a common cause around which Southeast students can unify.
