

# Southeast Employee Passport Program

Southeast faculty and staff are invited to participate in the passport program. The program is sponsored by Professional Staff Council (PSC) and is designed to be an engagement opportunity for employees of Southeast. To complete the program, visit each of the destinations between June 1 and May 31. If you aren't familiar with a destination, ask a colleague or search the website. For each destination, fill out the table with the date and event of attendance, and a note about what artifact you'll submit. This can be a photo (preferred), ticket stub, signature, etc. Submit a completed form to [psc@semo.edu](mailto:psc@semo.edu) with all artifacts by May 31st. Completed entries will be added to a raffle for a prize basket. One winner will be chosen annually and will be announced at the PSC breakfast in June.
