GENERAL CONTRACTUAL REQUIREMENTS

This portion of the RFP pertains to the offeror(s) selected for final contract award.

1. The contract shall not bind, nor purport to bind, the University for any contractual commitment in excess of the original contract period, which shall be from July 1, 2017, or date of award (whichever is later) through June 30, 2018. The University shall have the right, at its sole option, to extend the contract for three (3) one year periods, or any portion thereof. In the event that the University exercises such right, all terms, conditions, and specifications of the original contract, as amended, shall remain the same and apply during the extension period.
  - 1.1 If an extension option is exercised, the contractor shall agree that the prices shall be negotiated with the University. However, the University reserves the right to rebid if a mutual agreement cannot be reached.
  
2. If the contractor is unable to provide charter bus service for all designated trips, the contractor must subcontract through a comparable charter bus company to provide charter bus service at the contracted rate. The subcontracted vendor must meet or exceed the mandatory requirements set forth in this document.
  - 2.1 The University will only pay the contracted rate as provided on the Pricing Page of this document. The University will make payment only to the contractor. The contractor will be responsible for making payment to the subcontractor, even if the subcontractor's rate is higher than the contracted rate.

  - 3.1 The contractor agrees and understands that the contract shall be made available to all University groups at the rates quoted herein. However, use of the contract will not be required for any department other than Athletics.
  - 3.2 The contractor agrees and understands that the contract shall not be construed as an exclusive arrangement for other University departments and further agrees that the University may secure similar services from other sources for such departments.
  
4. All prices shall be as indicated on the Pricing Page of this document, or as specifically provided for by this document. The University shall not pay nor be liable for any other costs.

  - 4.2 Multi-day trips: Multi-day trips are defined as a trip lasting more than 24 hours. Trips will be paid the minimum day charge shown herein or per mile, whichever is greater. Number of days will be calculated based on the actual hours and will not reset at midnight. Example: A bus that leaves Southeast at 10:00 p.m. on Tuesday and returns at 10:00 a.m. on Wednesday will be calculated as a one-day trip (total of 12 hours) and not as a two-day trip (Tuesday and Wednesday), regardless of whether overnight accommodations are utilized.

- 4.3 Payment for charter bus services shall be made in arrears. The contractor shall submit a separate original invoice for each trip. Faxed invoices shall not be accepted. Payment will be made upon submittal of the invoice on a Net 30 basis unless discount terms are offered.
5. The contractor represents itself to be an independent contractor offering such services to the general public and shall not represent itself or its employees to be employed by the University. The sole relationship between the University and the contractor is as established by this contract. The contractor shall understand and agree that the University cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect the University, its Board of Regents, its employees, its clients, and the general public against any such loss, damage and/or expense related to his/her performance under the contract. The insurance coverage shall include general liability and appropriate professional liability. The insurance shall include an endorsement that adds the University as an additional insured. Written evidence of the insurance shall be provided by the contractor to the University upon request. The evidence of insurance shall include, but shall not necessarily be limited to: effective dates of coverage, limits of liability, insurer's name, policy number, endorsement by representatives of the insurance company, etc. Evidence of self-insurance coverage or of another alternative risk financing mechanism may be utilized provided that such coverage is verifiable and irrevocably reliable. In the event the insurance coverage is canceled, the University must be notified immediately.
8. The contractor and the contractor's drivers who, in the provision of services under the contract: (1) operate any single vehicle with a Gross Vehicle Weight Rating (GVWR) of over 26,000 pounds, (2) operate any size vehicle which requires hazardous materials placards, (3) operate any vehicle designed to transport more than 15 persons (including the driver), or (4) engage in any other activity outlined in the Commercial Motor Vehicle Safety Act, must comply with all other requirements in the Commercial Motor Vehicle Safety Act. If requested by the University, the contractor must submit proof of such no later than 30 calendar days after receipt of the request.

- 9.1 If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the University has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the University shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the University. The University may also withhold up to twenty-five percent of the total amount due to the contractor.

- 9.2 The contractor shall agree to fully cooperate with any audit or investigation from federal, state or local law enforcement agencies.
- 9.3 If the contractor meets the definition of a business entity as defined in section 285.525, RSMo pertaining to section 285.530, RSMo the contractor shall maintain enrollment and participation in the E-Verify federal work authorization program with respect to the employees hired after enrollment in the program who are proposed to work in connection with the contracted services included herein. - b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provision shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the contractor and the University.
- c. The contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations.

**3. OPEN COMPETITION/REQUEST FOR PROPOSAL DOCUMENT**

- a. It shall be the offeror's responsibility to ask questions, request changes or clarification, or otherwise advise the Purchasing Department if any language, specifications or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from offerors regarding specifications, requirements, competitive proposal process, etc., must be directed to the Purchasing Department. Such communication should be received at least seven (7) calendar days prior to the official proposal opening date.
- b. Every attempt shall be made to ensure that the offeror receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all offerors will be advised, via the issuance of an amendment to the RFP, of any relevant or pertinent information related to the procurement. Therefore, offerors are advised that unless specified elsewhere in the RFP, any questions received less than seven (7) calendar days prior to the RFP opening date may not be answered.
- c. Offerors are cautioned that the only official position of the University is that which is issued by the Purchasing Department in the form of the RFP or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. Southeast monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among offerors, price-fixing by offerors, or any other anticompetitive conduct by offerors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. The RFP and any Amendments are available for viewing and printing from the University's website. Registered offerors may be electronically notified of the proposal opportunity based on the information maintained in the University's vendor database.
- f. The University reserves the right to officially amend or cancel an RFP after issuance. E-mail notification of the amendment or cancellation will not be issued.

## 4. PREPARATION OF PROPOSALS

- a. Offerors **must** examine the entire RFP carefully. Failure to do so shall be at offeror's risk.
- b. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFP, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The offeror may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. In addition, the offeror shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements, and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Proposals lacking any indication of intent to offer an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFP.
- e. All equipment and supplies offered in a proposal must be new, of current production, and available for marketing by the manufacturer unless the RFP clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- f. Prices shall include all packing, handling and shipping charges and must be stated FOB destination, unless otherwise specified in the RFP.
- g. Proposals, including all prices therein, shall remain valid for 90 days from proposal opening unless otherwise indicated. If the proposal is accepted, the entire proposal, including all prices, shall be firm for the specified contract period.
- h. Any foreign offeror not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their proposal in order to be considered for award.

## 5. SUBMISSION OF PROPOSALS

- a. All proposals must (1) be signed by a duly authorized representative of the offeror's organization, (2) contain all information required by the RFP, (3) be priced as required, (4) be sealed in an envelope or container, and (5) be mailed or hand-delivered to the Purchasing Department and officially clocked in no later than the exact opening time and date specified in the RFP.
- b. Mailed proposals should be clearly marked on the outermost envelope with (1) the official RFP number, and (2) the official opening date and time. Different proposals should not be placed in the same envelope, although copies of the same proposal may be placed in the same envelope.
- c. A proposal which has been delivered to the Purchasing Department may be modified by signed, written notice which has been received by the Purchasing Department prior to the official opening date and time specified. A proposal may also be modified in person by the offeror or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone, telegraphic, email, or faxed requests to modify a proposal shall not be honored.
- d. A proposal which has been delivered to the Purchasing Department may only be withdrawn by a signed, written notice or facsimile which has been received by the Purchasing Department prior to the official opening date and time specified. A proposal may also be withdrawn in person by the offeror or its authorized representative, provided proper identification is presented before the official opening date and time. Telephone or e-mail requests to withdraw a proposal shall not be honored.
- e. Offerors must sign and return the RFP cover page or, if applicable, the cover page of the last amendment thereto, in order to constitute acceptance by the offeror of all RFP terms and conditions. Failure to do so may result in rejection of the proposal unless the offeror's full compliance with those documents is indicated elsewhere within the offeror's response.
- f. Faxed proposals shall not be accepted. However, faxed and e-mailed no-bid notifications shall be accepted.

## 6. PROPOSAL OPENING

- a. Proposal openings are public on the opening date and at the opening time specified on the RFP document. Only the names of the respondents shall be read at the proposal opening. The contents of the responses shall not be disclosed at that time.
- b. Proposals which are not received in the Purchasing Department prior to the official opening date and time shall be considered late, regardless of the degree of lateness, and normally will not be opened. Under extraordinary circumstances, the Purchasing Department may authorize the opening of a late proposal. The following guidelines may be utilized to determine the criteria for an extraordinary circumstance: (1) University offices were closed due to inclement weather conditions or other unforeseen reasons, and (2) postal or courier services were delayed due to labor strikes or unforeseen "Acts of God".

## 7. PREFERENCES

- a. In the evaluation of proposals, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.
- c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority- and women-owned businesses in selecting subcontractors.
- d. In the evaluation of proposals, a service-disabled veteran business preference shall be applied in accordance with Section 34.074 RSMo.

## 8. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the Purchasing Department before contract award. Upon discovering an apparent clerical error, the buyer shall contact the offeror and request clarification of the intended proposal. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are (1) misplacement of a decimal point, and (2) obvious mistake in designation of unit.
- b. Any pricing information submitted by an offeror shall be subject to evaluation if deemed to be in the best interest of the University.
- c. The offeror is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the University. However, unless otherwise specified in the RFP, pricing shall be evaluated at the maximum potential financial liability to the University.
- d. Award shall be made to the offeror whose proposal (1) complies with all mandatory specifications and requirements of the RFP, (2) is the lowest and best proposal, considering price, responsibility of the offeror, and all other evaluation criteria specified in the RFP and any subsequent negotiations, and (3) complies with Sections 34.010 and 34.070 RSMo and Executive Order 04-09.
- e. In the event all offerors fail to meet the same mandatory requirement in the RFP, the University reserves the right, at its sole discretion, to waive that requirement for all offerors and to proceed with the evaluation. In addition, the University reserves the right to waive any minor irregularity or technicality found in any individual proposal.
- f. The University reserves the right to reject any and all proposals. When all proposals are non-responsive or otherwise unacceptable and circumstances do not permit a rebid, the University may negotiate for the required supplies.
- g. When evaluating a proposal, the University reserves the right to consider relevant information and fact, whether gained from a proposal, from an offeror, from offeror's references, or from any other source.

- h. Any information submitted with the proposal, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a proposal and the award of a contract.
- i. Negotiations may be conducted with those offerors who submit potentially acceptable proposals. Proposal revisions may be permitted for the purpose of obtaining best and final offers. In conducting negotiations, there shall be no disclosure of any information submitted by competing offerors.
- j. Any award of a contract shall be made by notification from the Purchasing Department to the successful offeror. The Purchasing Department reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by the Purchasing Department based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the University.
- k. Pursuant to Section 610.021 RSMo, proposals and related documents shall not be available for public review until after a contract is executed or all proposals are rejected.
- l. The Purchasing Department reserves the right to request clarification of any portion of the offeror's response in order to verify the intent of the offeror. The offeror is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. The final determination of contract award shall be made by the Purchasing Department.
- n. The Purchasing Department's website will be updated upon contract award for offerors to view for a reasonable period of time.
- o. Any proposal award protest must be submitted in writing and must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050 (9). A protest submitted after the ten (10) business day period shall not be considered.

## **9. CONTRACT/PURCHASE ORDER**

- a. By submitting a proposal, the offeror agrees to furnish any and all equipment, supplies and/or services specified in the RFP, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of (1) the RFP, amendments thereto, and any Best and Final Offer (BAFO) request(s) with RFP changes/additions, (2) the contractor's proposal including any contractor BAFO response(s), (3) clarification of the proposal, if any, and (4) University's acceptance of the proposal by "notice of award" or by "purchase order." All Attachments included in the RFP shall be incorporated into the contract by reference.
- c. A notice of award issued by the University does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the University, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the University.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the Purchasing Department or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

## **10. INVOICING AND PAYMENT**

- a. The University does not pay state or federal taxes unless otherwise required under law or regulation. The University's Missouri sales tax exemption number is 10124128.
- b. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of the University.
- d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFP.
- e. The University assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the University's rejection and shall be returned at the contractor's expense.
- f. All invoices for equipment, supplies, and/or services purchased by the University shall be subject to late payment charges as provided in Section 34.055 RSMo.

## **11. DELIVERY**

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

## **12. INSPECTION AND ACCEPTANCE**

- a. No equipment, supplies, and/or services received by the University pursuant to a contract shall be deemed accepted until the University has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The University reserves the right to return any such rejected shipment at the contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The University's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the University may have.

## **13. WARRANTY**

- a. The contractor expressly warrants that all equipment, supplies, and/or services provided shall (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the University, (2) be fit and sufficient for the purpose expressed in the RFP, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the University's acceptance of or payment for said equipment, supplies, and/or services.

## **14. CONFLICT OF INTEREST**

- a. Officials and employees of the University, its governing body, or any other public officials of the State of Missouri must comply with Sections 105.452 and 105.454 RSMo regarding conflict of interest.
- b. The contractor hereby covenants that at the time of the submission of the proposal the contractor has no other contractual relationships which would create any actual or perceived conflict of interest. The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

## **15. REMEDIES AND RIGHTS**

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the University of any existing or future right and/or remedy available by law in the event of any claim by the University of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the University of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the University.

## **16. CANCELLATION OF CONTRACT**

- a. In the event of material breach of the contractual obligations by the contractor, the University may cancel the contract. At its sole discretion, the University may give the contractor an opportunity to cure the breach or to explain how the breach will be cured.
