

**/ 2024-2025 VERIFICATION WORKSHEET (Dependent)**

We received your FAFSA and it has been chosen for verification. The US Department of Education requires certain data from your FAFSA be verified for accuracy.

Southeast recommends completion of the verification process by June 15, 2024. Completing verification after this date will delay processing of your financial aid. You will be required to make payments toward your account balance until your financial aid eligibility can be determined.
